13 memo no. R. des 989/30-31 dt 25-9-30 from the dep. com., Nasik forwarding letter no. NB.S-99/29-30 dt 19-9-30 from pdt, NTB, Nasik requesting sanction to the creation of one more to entertain Sany Inspector on a pay of Rs 35-2-67-5/2-87 plus a pay allowance of Rs 20/- with a person on Rs 10/- per mensem, and one more vaccinator on Rs 30+8+2.

At present there are 3 Sany Inspectors working one Reserve Sany Inspector on the establishment. From NT-Bd it is stated that two talukas have been placed in charge of each Sany Inspector and that it is not found possible for one Sany Inspr to efficiently attend to the needs of both the talukas on account of the extensive jurisdiction which has become unwieldy. The pdt considers that the existing vaccination staff can not meet the requirements.

The financial condition of the NT-Bd is not satisfactory. It is stated that necessary provision has been made in the NTB budget for 1930-31 for the above charges. The budget has not yet been received. The proposal from Bd may perhaps be considered at the time of passing orders on the Budget Estimates when submitted for orders.

R. Ranga Rao, Esquire., B.A., B.L.,
General Secretary to Government of Mysore,
BANGALORE.

Sir,

Through.

The Deputy Commissioner,,
Kadur District, Chickmagalur.

Adverting to Government Order No. L. 551-2/V.P. 81-29-12 dated the 16th July 1930 sanctioning the entertainment of two more Sanitary Inspectors in addition to the Reserve Sanitary Inspector of the Board with three peons attached to each of them, I have the honour to state that as already reported in this office letter No. L.B. 599/29-30 dated the 14th July 1930 two Taluks have been placed in charge of each Sanitary Inspector. Since each of the Sanitary Inspectors has a very large area viz; two Taluks it is not found possible for one Sanitary Inspector to efficiently attend to the needs of both the Taluks on account of the extensive jurisdiction which has become unwieldy particularly when epidemics break out in distant villages in both the Taluks of one's jurisdiction and this difficulty is keenly felt in the recent simultaneous outbreak and prevalence of Plague and Small-pox both in Kadur and Tarikere Taluks which are placed in charge of one Sanitary Inspector and with the limitted staff of these officials viz; 3 and each one of them placed in charge of two Taluks it has been found not practicable to tackle the situation without the aid of a relieving or reserve staff.

Therefore the

Inspector on the usual

Rs. 20 per mensem with

absolutely necessary as the Reserve Staff is to be ready for being drafted on such emergencies in the interest of the people, Public safety and health Besides one extra Sanitary Inspector is necessary for the office to ~~do~~ attend to papers relating to technical works.

As for the vaccination staff the existing nine Vaccinators cannot practically meet the requirements particularly in recent years when the outbreak of Small-pox has become almost annual each summer and whenever rains fail in malnad.

Consequently the reallocation of their jurisdiction and the strengthening of the vaccination Establishment has become most - inevitable.

For these reasons the proposal to augment the vaccination staff also engaged the attention of the Board. While framing their Budget at their last meeting held on the 2nd and 3rd instant during the course of which, they in concurrence of the opinion of the Standing Committee resolved to appoint one more Sanitary Inspector and one Vaccinator on Rs. 30+8+2 and accordingly made necessary provision therefor while passing their Budget estimates for 1930-31.

In forwarding herewith the resolution of the Board in the matter, I request that sanction of Government may kindly be accorded thereto at an early date.

I also add that while filling up the post of the proposed Sanitary Inspector, effect will be given to absorb one of the ~~supernumerary~~ supernumerary Village Panchayet Inspectors of the District as suggested in the last para of Government Order No. I. 1770-87/L.S.G. 11-28-C dated the 24/25th August 1928.

Necessary proposition statement in duplicate is appended hereto for favour of sanction.

I have the honour to be,
